

Vista Equity Partners Successfully Completes Cash Tender Offer for Shares of Infoblox

FAQ SHEET

Headquartered in Santa Clara, CA, Infoblox delivers Actionable Network Intelligence to enterprises, government agencies, and service providers around the world. As the industry leader in DNS, DHCP, and IP address management (DDI), Infoblox provides control, security, and analytical capability from the network core, empowering thousands of organizations to pursue the big initiatives driving business success today—next-generation data centers, security, compliance, and digital transformation—and achieve business outcomes such as increased efficiency and visibility, reduced risk, and better customer experience.

On November 7, 2016, Infoblox was acquired by a leading private equity firm, Vista Equity Partners. The company is now privately owned and has delisted its common shares from the New York Stock Exchange.

Additional details regarding the acquisition that was announced on September 19, 2016 can be found in Infoblox's historical [SEC filings](#).

Vista Equity Partners

What was the acquisition price for Infoblox?

Infoblox was acquired for \$26.50 per share, or a total market value of approximately \$1.6 billion. The acquisition closed on November 7, 2016.

I have not received the cash for my Infoblox shares in my brokerage account. When will I receive the cash, and who do I contact for any questions about my Infoblox shares and the proceeds from the tender offer?

For any questions about BLOX shares in your brokerage account or the cash received from the tender, you should contact your broker.

I am a holder of Infoblox's debt. I have questions about the company.
